## Boonville Boo Bash

Join your friends in Downtown Boonville on Tuesday, October 31, 2016 (Halloween), from 4:00 p.m. - 6:00 p.m. for the 2nd Annual Boonville Boo Bash.

Sponsored by the Boonville Business and Downtown Development Association, Inc. (BBDDA), the Boo Bash will be a fun, safe, family-oriented event with trick or treating for the children at the downtown businesses. Green balloons will indicate if a business is participating.

In addition to trick or treating, there will be games, face painting, a costume contest for kids and adults, a bouncy house, a cake walk, and more in the Town square!

Proceeds from the event will benefit the BBDDA, a 501(c)(3) organization, and be reinvested back into the community. For more information please call Sarah at Town Hall (336) 367-7941.

## Business Spotlight

Our business spotlight features Fitness on Fleek., a future fitness studio in Downtown Boonville.

Christina Mann, local resident and business owner of Fitness on Fleek will be opening her fitness studio at 105 N. Carolina Ave in late fall of 2017.

Fitness of Fleek will feature personal train-

ing sessions as well as group exercise classes. Christina will offer a variety of cardio and strength classes like Zumba, Hip Hot Hustle, Kettlebell and boot camp style classes!

Christina has over five years of experience when it comes to group style classes, two years of personal training experience, and twenty two years of customer service.

She is most excited to offer the community a place to come have fun while getting fit and gaining confidence. She wants to give the community a fitness experience they will fall in love with and encourage others to see for themselves how good healthy and strong feels.

Stay tuned for the announcement of their grand opening!

## Fall Recipe

Is there anything better than Fall? The clothes, the smells, the colors, the food and traditions. Did we mention food? One of our favorite things about fall is pumpkin pie! Check out this classic pumpkin pie recipe from local baker, Sheri Smith at Holly Ridge Campground.

### Ingredients

#### *Pie Shell*

- 1 cup of flour
- 1 tablespoon of sugar
- 3 1/2 tablespoons of ice water
- Dash of salt
- 8 tablespoons of shortening

Mix together, roll on floured

surface to the size of your pie plate.

#### *Pumpkin Filling*

- 1 cup of sugar
- 1 teaspoon of flour
- Dash of salt
- 1 teaspoon of pumpkin pie spice
- 2 eggs
- 1 15oz can of solid pumpkin
- 1 tablespoon of sorghum
- 3/4 cup of milk
- 3/4 cup of evaporated milk

Mix all together and pour into shell. Bake at 350 degrees for 50 to 60 minutes. Cool and enjoy! For all of your baking needs contact Sheri located at Holly Ridge Campground, (336) 367-7756.

## Small Town Christmas Event

The Boonville Business and Downtown Development Association, Inc., will host its Annual Small-Town Christmas event on Saturday, December 2, 2017. Gather your family and friends and enjoy an afternoon of holiday activities in downtown Boonville.

Begin your afternoon by shopping local at Boonville's downtown businesses as you listen to holiday music and grab a cup of hot chocolate. From 2:00 p.m. – 5:00 p.m. bring the kids to see Santa and have their pictures made by the Christmas tree. Then get ready

for the Reindeer Dash at 4:30 p.m. An unwrapped gift for Toys for Tots is all you need to enter the race. Dress up in your favorite holiday attire to win the prize for best holiday costume in the race. (For more information about the Reindeer Dash, contact Shari Allen on: 336-631-9708.)

After the Reindeer Dash, the twilight parade will begin at Woodruff Road and travel down Main Street ending at the former school on River Road. All parade participants should meet at the Woodruff Road by 3:30 p.m. For more information contact Sarah at Town Hall, (336) 367-7941.

*A letter from  
your Town  
Administrator*

Dear Boonville Residents,

Since the summer edition of the newsletter, the Town of Boonville has continued to move forward with water and sewer infrastructure upgrades. As mentioned in the spring, we have been addressing issues pertaining to ground water surrounding the tanks at the wastewater treatment plant.

As we continue to move forward with upgrades to the wastewater treatment plant, ground water has continued

to be a barrier. The initial timeframe for completion of this project was expected to be mid- November. We are now projected to finish the project in January 2018.

Part B of the water project is expected to begin in early October. With this portion of the project, a new well site will be drilled and tested. The scope of this project also includes infrastructure upgrades at our current well sites.

Along with infrastructure upgrades, the town is focusing on economic development. In the early summer, the Town's Board of Commissioners adopted an economic develop-

ment plan focusing on three strategies: (1) small business development and downtown revitalization; (2) community events and marketing; and (3) community appearance and recreation.

The steering committee that created this plan meets quarterly to work towards on the completion of action items.

To stay connected with all things Boonville, visit our website at [www.boonvillenc.com](http://www.boonvillenc.com).

Sarah Harris  
Town Administrator

## Fall Leaf Collection

Leaf collection will begin November 1st and will continue through January 1st.

Leaves should not be raked to the pick-up location until the last week of October. This helps reduce the scattering of leaves on windy days.

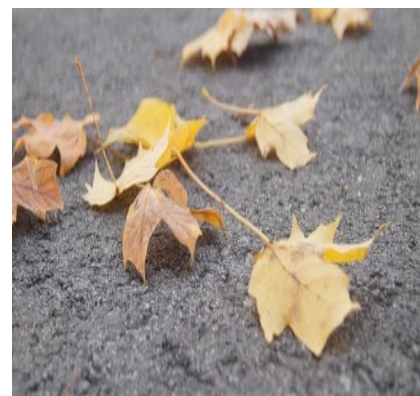

Rake leaves into a neat row or pile at the street's edge if no sidewalk exists. If a sidewalk borders the street, locate leaves along the yard-side edge and off the sidewalk. The aim is to keep leaves safely out of the way of traffic and pedestrian walkways

while keeping them visible and accessible to town employees. Placing leaves too far into the streets or on sidewalks can be hazardous to citizens and pets as they attempt to avoid them. The town's primary collection method involves leaf-vacuuming equipment, so raked leaves must be easily accessible by all leaf-collection vehicles and equipment.

We ask you to not mix trash or limbs with leaves to be picked up. It is preferable that leaves not be bagged during this season unless you have a small

if raked into a row or pile.

The town wants to collect leaves as efficiently as possible and ensure leaves are not left uncollected for an extended period of time.
