Government Corner

*A letter from
your Public
Works Director*

Dear Boonville Residents,
We would like to give you an update on some much needed upgrades to our water and sewer systems. Starting in the next couple of months, we will replace approximately 3,500 feet of sewer outfall line. This will start on

Sunset Drive and head along Hurt Creek toward US 601 North. Along with this outfall line replacement, we will also replace some aging water lines on Kerr St. and Cardinal Ave. Some aging blowers and tanks at the Waste Treatment Plant will also be upgraded.

A 0% interest loan from the State Revolving Fund has been ap-

proved to fund these projects.

These upgrades will help alleviate the issue with rain water into our collection system and help improve water quality.

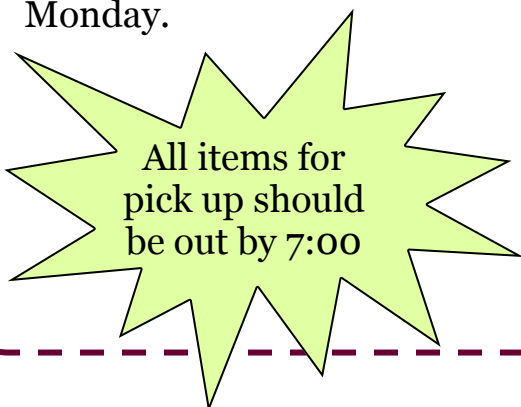

Sincerely,

Jeff Jones

Public Works Director
