The Boonville Town Board of Commissioners has been notified that inaccurate information is being circulated within the Boonville Community in regards to the current relationship between the Boonville Community Library and the Town of Boonville. No action has been taken by the current Board of Commissioners in regards to a "lease" or any change in the current status with the Boonville Community Library. The official meeting minutes will confirm that no such action or discussion has taken place with the Board of Commissioners. The Board of Commissioners looks forward to a continued positive relationship with our library.
